A replay of the presentation will be available at the same web address as well as on Cypress' website, <http://www.cypressbio.com/events.php>.

About Cypress Bioscience

Cypress Bioscience, Inc. provides therapeutics and personalized medicine services, facilitating improved and individualized patient care. Cypress addresses the evolving needs of specialist physicians and their patients by identifying unmet medical needs in the areas of pain, rheumatology, and physical medicine and rehabilitation, including challenging disorders such as fibromyalgia and rheumatoid arthritis. This approach to improving patient care creates a unique partnership with physicians. Current products include Savella[™] (milnacipran HCl) and the Avise PGSM and Avise MCVSM therapeutic monitoring, diagnostic and prognostic tests for rheumatoid arthritis.
